The United Way of Marquette County Board of Directors would like to invite you to an Estate and Planned Giving presentation, at the Peter White Library's Heritage room, Wednesday, November 6th at 7:00 p.m.

Learn how to optimize your giving without sacrificing your living.

Our office fields a fair amount of questions regarding ways to donate, and we decided this would be a good time to bring professionals together to provide answers.

Presentations, followed by question and answer opportunity, will be given by:

Doug Gordon, Financial Advisor with Edward Jones

Ken Seavoy, Attorney with Kendrick's/Bordeau.

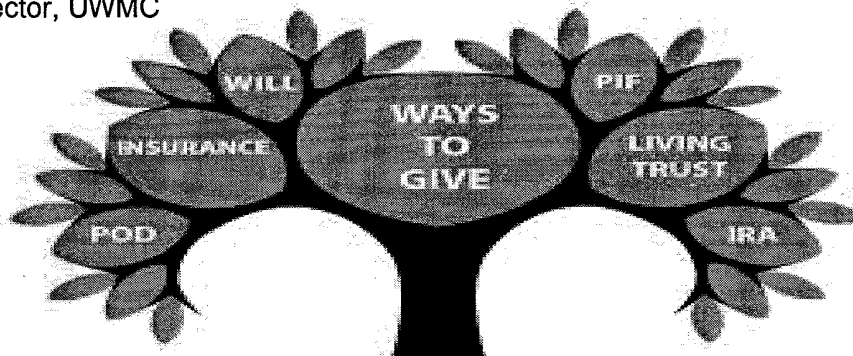

Tanner Wagner - VAST
CPA with Cowell & LaPointe

Refreshments will be provided

Seating is limited, please make your reservation by calling 906-226-8171 or email unitedway@uwmqt.org no later than Monday, November 4th.

I look forward to meeting you,

Andrew Rickauer
Executive Director, UWMC

Bringing people, organizations and resources together to improve community well-being.
